MORE REASONS TO JOIN US

From Those That Have Gone Before...

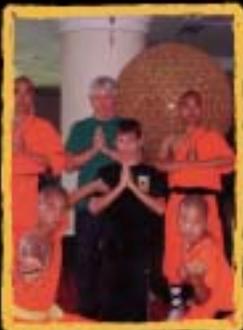

How is it possible to top a 3 day visit to the Shaolin Temple where I learned a new form from the Shaolin Monks, I tested for my next rank, and received my certificate on the steps of the Temple from Professor Mattera? Each is a memory forever preserved. I came away with many new friends as well as a deeper understanding, appreciation, and commitment to the arts.

- Linda Lehnhard

The USSD China Trip was the most amazing vacation my husband and I have ever taken. Each leg of the trip was delightfully unique.

My wife and I were members of the 2002 China trip. It was magical and way beyond expectation. Professor Mattera, and the Masters of USSD were visible during the entire trip and ensured that every member had a wonderful time. The performance of the Masters at the Shaolin Temple was unbelievable and made every student proud to be a member of USSD.

The country was beautiful, the tour was full of wonderful experiences everyday. If you have a chance to go to China with USSD in 2006 I highly recommend it!

FROM THE PROFESSOR

Dear Students and USSD Family Members,

As founder and Professor of United Studios of Self Defense (USSD), I would like to take this opportunity to personally invite you, the students and family of USSD, to join us on an incredible journey.

In late June 2006, (the year of the Dog), our Black Belt Instructors, Board of Masters, Grandmaster DeMasco and myself will embark on a tour of China "The Middle Kingdom". Our twelve day adventure vacation will take us to four exciting locations - come see the best that Shanghai, the original Shaolin Temple in Henan province, the Terra-cotta Warriors in Xian, and Beijing the capital of China have to offer.

In the past ten years, USSD has developed an incredible relationship with the Chinese government and the Shaolin Temple. Through the medium of the Martial Arts, we have created a cultural exchange between two great nations - to promote peace and understanding.

Some, but certainly not all of the highlights of this trip include:

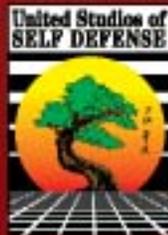

- Masters' Seminar in Shanghai and Beijing
- Extraordinary Martial Arts demonstrations by the Shaolin Monks
- Rank Testing and Promotion at the Shaolin Temple
- Training at the Shaolin Temple by the Shaolin Monks
- Terra-cotta Warriors exhibit in Xian
- A unique and deep insight into the Chinese people
- An incredible culinary experience of Chinese delectables
- Spectacular shopping opportunities

I Look forward to you joining us - See you on the "Great Wall"!

Sincerely,

Professor Charles Mattera
